Sizing Up Swing Sets

Swing sets can be difficult to survey when it comes to working with a third party provider. There are so many factors involved that the slightest miscalculation can throw your profits into a tail spin. Below are some handy tips to quote a swing set correctly in order to avoid any additional charges.

Small Swing Set

- Small platform with slide and 2-3 play accessories
- 2-3 man hours to Disassemble
- 3-4 man hours to Reassemble

Medium Swing Set

- Larger platform with slatted sides, vinyl canopy, slide, climbing wall, and 4-5 play accessories
- 3-5 man hours to Disassemble
- 4-6 man hours to Reassemble

Large Swing Set

- Multiple level platforms and forts, with wood roofs, slides, climbing wall, and 4-5 play accessories
- 5-10 man hours to Disassemble
- 6-14 man hours to Reassemble

Other recommended tips

A picture is worth a thousand words. One can easily send CMS a picture of the swing set via email or web which we can attach to the order for our tech to evaluate.

Check the condition of the hardware and bolts. If the bolts and anchors are rusty you may want to add some additional funds so CMS can quickly install any new hardware necessary to make sure the play system is safe.

Always try to get the manufacturer name and make or model. CMS carries a large data base of instructions booklets to ensure safety and efficiencies.

Always tell us what you allocated in labor hours. CMS can evaluate the estimate before

the service is performed to make sure we have the proper crews and people in place to ensure the job is completed with in budget.

CMS will always complete a full inspection report on a swing set before and after the service is performed at no charge.

Congratulations!

to Mr. & Mrs. Piazza
PJ & Crissy

On August 22nd, 2009; Crissy Potz was married to PJ Piazza in Richmond Heights, Ohio. Crissy has been working with CMS for over 4 years. She is a primary team leader in our dispatch division where she reviews all new orders, and distributes them to the proper coordinators and technicians to complete the 3rd party request. Please wish her the very best.

Christine's Kitchen

Hot Spinach Artichoke Dip
(Great for your upcoming Fall gatherings)

- 1 box frozen chopped spinach
- 1 jar 16 oz artichoke hearts (chop smaller)
- 1 small onion chopped 1 cup parmesan cheese
- 1 cup Mayonnaise (I use Helmann's made with olive oil)
- 2 tbsp of butter
- 3 tbsp fresh chopped parsley Cayenne pepper, red pepper, salt, garlic powder to taste (to make it spicy!)

Cook spinach in microwave in oven safe bowl for 3-4 min. DRAIN WELL and pat excess water with paper towels. Saute chopped onions in butter for approx. 2 min. Add spinach, artichokes, and seasoning to pan and saute additional 2 min. Transfer spinach mixture into large bowl. Add ¾ cup of the parmesan cheese, and mayo. Mix well, transfer to large pie plate. Cook at 375 degrees for 20-25 min. Top with remaining parmesan cheese and serve with corn chips. Enjoy!
